Take some of the stress out of the wedding by beating the traffic, arriving the day before and settling into your own manor house ahead of your big day.

Guests can check into their rooms from 2pm and spend time relaxing in the lounges or making use of the facilities in our Health Club. Why not arrange a few garden games or some pampering in our Spa?

In the evening, all join together for a relaxed buffet style dinner and catch up with loved ones you've not seen for a while. Introductions can be made and the excitement for the day ahead can start to build.

As the evening draws to a close, you and your guests can retire to your comfortable bedrooms and get some much needed rest ahead of the celebrations.

Wake up and enjoy a delicious hot and cold buffet breakfast accompanied by a glass of House Champagne on the morning of the wedding.
